Stop by the first university in Vietnam, Temple of Literature. Back to Old Quarter to go through short and tiny 36 main streets and learn about its unique name origin. You can feel what make Hanoi is different; as it combines between the past and the present. Tour ends around 5.00pm.

?The Water puppet show was the entertainment of farmers in the 11th century when their fields are flooded, leaving them with little entertainment, but puppets to play with. Today, the show is synonymous to an art that preserves time and often sings about harvest times and myths related to water. We head back to the hotel after the show for overnight stay in Hanoi.

### Day 3: Full Day Tour Of Halong Bay :

The drive may take you more than three to four hours utmost depending on the high or low seasons? traffic, and will pass the Red River Delta, one of the two granaries of Vietnam. Upon arriving in Halong, we will sail our boat round its natural rocky gardens whilst a tasty seafood lunch is waiting on board. Most of the islets here are not for living due to the lack of fresh water, but are excellent for cruising to contemplate their miraculous draws on the horizon. Many of them have great names from their inspirational shapes, including the Surprising cave, Pelican Grotto, Chopstick rock, Butterfly rock, Turtle rock, the island of Fishman's Head, the Fighting Cocks, the Sail, the Urn, or the Sea Dog! We can wander to visit grottos, so swimming, or just lazily relax on the sundeck with our drinks. The boat will be back to the Wharf late afternoon where we take our car or coach to return to Hanoi. Trip finished at your hotel in Hanoi.

### Day 5: Full Day Ho Chi Minh City Tour With Cu Chi Tunnels :

?Start the tour from the Post Office in colonial-style and the Notre Dame Cathedral. Go on to visit Thien Hau pagoda and a specific section that does not exist in any other city of Vietnam - a bustling China Town, where every board is in two languages: Chinese and Vietnamese, and so is the communication of the inhabitants. In the center of this exciting area is a grandiose market: "Cho Lon", i.e. The Big Market. A lot of Chinese living in this quarter have obtained great trading success with their know-how, wisdom and dynamic. After lunch in Saigon, head northwest to Cu Chi Tunnels, one of the very few remaining monuments to the Vietnam War. 200km of tunnels, dug by hand and inhabited by the forces of the Vietnamese guerillas during the conflicts, are beneath the ground in Cu Chi. At its peak, prior to the Tet Offensive in 1968, the tunnel complex was a base to almost 10,000 troops. To this day, it remains one of the most impressive examples of how fierce the War was. Return to Saigon in late afternoon.
